

► Your questions about GIST

Your treatment (or your loved one's)

- What treatment do you recommend?
- What are the benefits and risks of the treatment?
- How long will treatment last?

Side effects

- What are the possible side effects of the treatment options?
- What is the best way to help manage side effects?

Financial and health insurance issues

- What are the costs of treatment?
- Will my (or my loved one's) health plan cover my (or my loved one's) treatment?
- Are there resources that help pay for treatment?

Where to find more information and support

- Where can I get more information about GIST and how it is treated?
- Will I (or my loved one) need help with daily activities?
- Can you suggest a local support group for people with GIST and their loved ones?
